Happy New Year!

Dear Friend/Supporter,

Now that a New Year is upon us, we turn to evaluating last year to determine what changes can be made this year to make life and health better. The board members of Seven Pearls Foundation are excited about its plans, for the new year. We are asking your support and participation in the "Burn the Mortgage Campaign". Our theme for the Capital Campaign: Conceive It! Believe It! Achieve It!

As board members, of Seven Pearls Foundation of Sigma Gamma Rho Sorority, Inc., we are confident that the success of this campaign will be achieved, because we (Sorors, Philos and Rhoers), want to achieve it. As we begin this "kick off," we hope you will exceed expectations by inviting others to assist us with the dream of a debt free headquarters. Each region representative will be working with her Syntaktes on the region's proposed goal and strategic plan to make the campaign a regional success.

Ford's adage was, "Coming together is the beginning, working together is progress but staying together is success." Sigma Gamma Rho has recently celebrated ninety years in 2012. What greater way to celebrate our centennial than having a debt free headquarters.

On the website, you will find the Contribution/Pledge Form and the Seven Pearls brochure, which is available to answer basic questions about the Foundation. If there are further questions, please do not hesitate contacting your region's representative. The coordinators for the campaign are Sorors Andrea D. Williams and Adah M. Hull.

We look forward to your participation and continued support. Together, we can achieve it!

Sincerely,

Andrea Williams & *Adah M. Hull*
